The enrollment period may be extended at any time, at the rate of tuition then in effect, by mutual agreement of the parties to the Enrollment Agreement.

##### **SCHEDULE AND DESCRIPTION OF FEES - ATTACHED**

Tuition and all other fees must be paid in U.S. funds prior to arrival on campus.

In general, tuition is non-refundable. Examples of unusual circumstances under which a tuition refund may be considered are as follows:

- Early graduation by the Student.
- Withdrawal from the program due to a physician-verified medical necessity.
- Involvement in behavior inappropriate for the Montcalm program.

Under no circumstances will any tuition refund be granted for days in which the Student has participated in the Montcalm School program. Refund considerations, when conditions warrant, are given only to tuition paid in advance and for time periods subsequent to the Student's discharge from the program. Generally, refunds of unused tuition are made within thirty days. Refund of balances in the student services account is refunded when all outstanding charges have been paid.

##### **EARLY WITHDRAWAL**

Parents must give 30 days' notice of the voluntary early withdrawal from Montcalm School. Tuition will continue until the 30 day notice has elapsed.

Montcalm School reserves the right to expel a Student if circumstances or conditions exist in regard to the Student that would have precluded enrollment into the program had such circumstances or conditions appeared in the Student's case history or otherwise been known to staff prior to enrollment.

CONTRACT 5

### **PAST DUE ACCOUNT BALANCES AND LATE PAYMENTS**

When tuition is not paid by the date due, the following procedures shall apply:

- A late payment fee of \$50 per month will be charged.
- Within ten (10) days following the payment due date, the Parent(s) or Other Responsible Party will be notified that their account is past due.
- When payment is twenty (20) days past due, the Parent(s) or Other Responsible Party will receive a notice that payment must be made to continue services to the Student.
- If all past due amounts are not paid by thirty (30) days following the due date, the Parent(s) or Other Responsible Party will be contacted to make arrangements for the discharge of the Student.
- Any remaining balance due after crediting tuition received in advance and funds remaining in the Student Services Account will be subject to further collections procedures.
- Student records will not be released until all outstanding balances have been paid.

Past due charges plus all enrollment-related fees must be paid prior to re-enrollment.

### **MEDICAL EXAM**

It is recommended that your child receive a complete physical prior to attending Montcalm School. This will ensure that we have up to date and accurate health information regarding your child which will help the medical staff to provide appropriate care and follow up treatment(s). All students will be seen by a physician within the first month of arriving at Montcalm for a new student review. During this review, the medical information, physical, immunization status, medications and pertinent health information will be reviewed. It is in your student's best interest to have up-to-date and accurate health information provided prior to enrollment.

Physicals must be updated annually. If you wish to have the annual physical done by your family physician, please provide a copy of the physical to the medical clinic prior to the annual physical exam due date. If you wish, we can arrange for the annual exam to be completed by a local physician and billed to you or your insurance.

### **MEDICAL INSURANCE**

The student should be covered at all times by medical insurance. The parents or responsible party shall provide a copy of the student's insurance card upon enrollment at Montcalm School. Healthcare providers will be encouraged to bill parents or responsible parties and their insurance carrier directly for all medical and healthcare costs. Providers may require that co-pays and/or deductibles be paid upon receipt of services. In that case, payments will be deducted from the student services expense account.

CONTRACT 6

Certain services provided by staff at Montcalm School may qualify for reimbursement under medical insurance policies. Please be advised that Montcalm School assumes no responsibility for submitting medical insurance claims. At the request of parents or responsible parties, Montcalm School will forward documentation of potentially reimbursable expenses.

If your child has received psychological services prior to enrollment, an appointment will be set up upon enrollment.

Please understand that we are bound by licensing regulations and laws to follow the recommendations and orders of all medical providers. If you disagree with a treatment or order by a provider, you will need to follow up with the provider and the provider would have to establish new written and signed orders for Montcalm to follow. Montcalm School cannot take verbal orders from families regarding medical treatments, which includes but is not limited to medication orders. Your child's treatment team will make every effort to keep you informed of all physician ordered treatment.

### **CLOTHING & PERSONAL ITEMS**

We do not encourage Students to bring expensive personal items. If a Student and their Parent(s) or Legal Guardian decides to bring these items, it should be clearly understood that it will be at their own risk.

It also describes your rights to access and control your protected health information. "Protected health information" (PHI) is information about you, including demographic information, that may identify you and that relates to your past, present, or future physical or mental health or condition and related health care services.

We are required to abide by the terms of this Notice of Privacy Policy. We may change the terms of our notice at any time. The new notice will be effective for all protected health information that we maintain at that time. We will provide you with any revised Notice of Privacy Policy upon your request. Requests can be made by calling our office and requesting that a revised policy be sent to you in the mail or by visiting our website at [www.starr.org](http://www.starr.org).

### HOW WE MAY USE AND DISCLOSE MEDICAL INFORMATION ABOUT YOU:

Following are examples of the types of uses and disclosures of your protected health information (PHI) that Starr Commonwealth is allowed to make. These examples are not meant to be exhaustive, but to describe the types of uses and disclosures that may be made by our offices.

**Treatment:** We may use PHI to provide medical treatment or services. We may disclose medical information about you to Starr Commonwealth staff that are charged with your daily care and treatment. For example, cottage staff members need to know any food allergies you may have in order to plan meals accordingly. Treatment staff and counselors may need to know any medication history in order to continue quality care during your stay.

**Payment:** We may use and disclose your PHI for Starr Commonwealth operations. These uses and disclosures are necessary in order to show Starr Commonwealth as an effective treatment program. For example, we may use medical information to review our treatment and services and to evaluate the performance of our staff in caring for you. We may also combine medical information about many Starr Commonwealth clients to decide what additional services we should offer, what services are not needed, and whether new treatments are effective. We are required to remove information that identifies you from this sort of information so others may use it to study health care without learning who the specific clients are.

**Business Associates:** We may be required to provide PHI to entities that provide medical, dental or psychiatric and psychological care. For example, in cases of emergency care when traveling off-campus for home visits or trips; dental or doctor visits; or seeing a psychologist contracted to provide services to clients of Starr Commonwealth.

**As Required By Law:** We will disclose PHI about you when required to do so by federal, state, or local law.

**Law Enforcement:** We may release PMI about you if asked to do so by a law enforcement official in response to a court order, subpoena, warrant, summons, or similar process.

**Health Oversight Activities:** We may disclose PHI to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, licensure, and accreditation. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

CONTRACT 11

**Public Health:** We may disclose your PHI for public health activities. For example, we may disclose your PHI when necessary to prevent a serious threat to your or other's health and safety. Public health activities generally include: (1) to prevent or control disease, injury or disability; (2) to report reactions to medications or problems with products; (3) to notify a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition; and (4) to notify the appropriate government authority if we believe an individual has been the victim of abuse, neglect, or domestic violence.

**Fundraising:** Under certain circumstances we may use and disclose medical information about you for fundraising activities for Starr Commonwealth and its operations. Information will be unidentified when applying for grants from foundations or other benevolent sources.

**Research:** Under certain circumstances we may use and disclose medical information about you for research information and purposes. A research project by appropriate professional staff may include comparing behaviors before and after treatment at Starr Commonwealth. All research projects are subject to a special approval process through the Programs Director, the Director of Evaluation and Planning, and the Vice President of Programs.

**National Security and Intelligence:** We may release medical information about you to authorized federal officials for intelligence, counter-intelligence, and other national security activities authorized by law.

#### YOUR RIGHTS REGARDING MEDICAL INFORMATION ABOUT YOU:

You have the following rights regarding medical information we maintain about you:

**Right to Inspect and Copy:** You have the right to inspect and copy medical information that may be used to make decisions about your care. Usually this includes medical and billing records, but does not include psychotherapy notes. You must submit your request in writing to the Starr Commonwealth Records Manager using the request form. If you request a copy of the information, we may charge a fee for the costs of copying, mailing, or other supplies associated with your request.

We may deny your request to inspect and copy in certain circumstances. If you are denied access to medical information, you may request that the denial be reviewed. The Director of Administrative Services will review the request and the denial. The person conducting the review will not be the person who denied your request. We will comply with the outcome of the review.

**Right to Amend:** If you feel the PHI we have about you is incorrect or incomplete, you have the right to ask us to amend the information. You have a right to request to amend the information as long as Starr Commonwealth retains the information. To request an amendment, you must submit a request in writing to the Starr Commonwealth Records Manager. In addition, you must provide a reason that supports your request. Starr Commonwealth will respond to the request within 60 days. If Starr Commonwealth is unable to take action within the applicable time period, Starr Commonwealth may extend the time for such an action by 30 days. Starr Commonwealth will provide a written reason for the delay and the date by which it will complete action on the request.

We may deny your request if it is not in writing or does not include a reason for your request. In addition, we may deny your request if it asks us to amend information we did not create, is not part of the information you would be permitted to inspect or copy, or is information that is correct and accurate.

**Right to an Accounting of Disclosures:** You have the right to request an accounting of the disclosures of your PHI that

CONTRACT 12

we make. To request a list of the disclosures we have made, submit your request in writing to the Starr Commonwealth Records Manager. Your request must state the time period, which may not be longer than six years and may not include dates before October 2003. Your request should indicate in what form you want the list - paper or electronically. Your request must also specify where you want the information directed, such as postal or email address.

You may request the list at reasonable intervals, which we may determine. You may receive the first accounting per calendar year for no charge. If you request an accounting after this you will be charged fees for copying, mailing, or staff time preparing the document. If this is the case, we will notify you of any charges before proceeding with the request, and you may withdraw your request before any charges are incurred.

Starr Commonwealth will respond to the request within 60 days. If Starr Commonwealth is unable to take action within the 60 days, Starr Commonwealth may extend the time for such an action by 30 days. Starr Commonwealth will provide a written reason for the delay and the date by which it will complete action on the request. #### **Publicity**

The work of Montcalm School is heavily dependent upon the good will and assistance of many friends. In order that our supporters and other interested people may be well-informed about our objectives and program, we engage in a

certain amount of public relations. This includes descriptive brochures and an occasional release to newspapers, magazines, radio, television, or the Internet. Confidential material about any of our Students is **never** released and Students are identified by first name only, unless given permission otherwise. Please give your consent for the Student to be photographed or recorded for use in any publicity or marketing materials approved by Montcalm School as described.

\_\_\_\_\_ [Initial]

**THERAPEUTIC PHYSICAL RESTRAINT**

It is the primary concern of Montcalm School's staff to provide for the safety of children. For some of our students, violence may be one way to express anger or anxiety, and this may, in turn, provoke similar actions in others or may endanger the safety of students and staff members. Staff make every effort to defuse a potential crisis before a young person escalates to violence.

Staff's role is to respond to a Student's acting out behaviors in firm, caring responses to ensure safety for all persons present. When other interventions have been unsuccessful in controlling the aggressive Student, therapeutic physical restraint (TPR) may be necessary. TPR would be used only when acute physical behavior clearly indicates the intent or threat to inflict physical injury upon oneself or others or to extensively damage property. The immediate goal of TPR is to help the Student regain self-control, and TPR will only be used to the extent necessary to prevent the possibility of injury or damage expressed above. The long-term goal is to teach the Student better ways of coping with difficult situations, while installing in all youth that this is a safe place where people do not hurt each other.

I have read and understand the reasons for the use of therapeutic physical restraint. \_\_\_\_\_ [Initial]

I agree and consent to the requests made above. Date Signed: \_\_\_\_\_
