

EAGLE TT AWD TRANSIT PRO

TT-4, TT-5, TT-6, TT-8

The Eagle TT Series Transit Pro is a full-service utility tractor which was engineered to meet the needs of today's Transit Authorities. It is designed to be an "all-in-one" maintenance tractor to service broken down transit vehicles.

Here is what the Transit Pro TT series has to offer:

- Optional battery jump-start and air compressor system and a utility storage box for remotely servicing broken down equipment.
- Only product in its weight class towing capacity available in All Wheel Drive - providing safe, controlled traction on all surface conditions.
- Ergonomic operator compartment, low-profile design and mirror-less hitch visibility allow operators to safely and efficiently handle transit vehicles.
- Designed with carefully matched components, resulting in minimal or no unscheduled maintenance or repair, and is backed by an industry leading 3-yr/3,000-hr warranty.
- Unparalleled reliability and factory-direct service and support is the Eagle Tugs advantage.
- Eagle Tugs has 40 years of experience designing, building and supporting reliable tow tractors.
